Paula - Joe, Joe - Paula,

Joe, Paula has a non superfund, superfund site that includes many watersheds. It is the
upper animas. They are working with Chris to get a doc record (part of hrs typical package)
done. I have suggested that you two chat so that she can understand Weston's qualifications

for assessment and RI/FS.

My perception is that it would be quicker and better to go with the Weston/Bristol JV.

Please give her a call.  She is in R8.

Thanks
